

VENUE RENTALS

THE ELLINIKON
EXPERIENCE CENTRE

Live the future of The Ellinikon, today.

The Ellinikon Experience Centre introduces to the world The Ellinikon project and highlights its legendary history and ambitious vision.

The Experience Centre, which is housed in the restored Air Force Hangar C, reveals the past, present and future of The Ellinikon.

Through five thematic zones with impressive installations and interactive exhibits, the visitors of the Centre are invited to delve into the greatest urban development project in Europe and embark on a journey to a sustainable, smart and innovative future.

The vision, philosophy and design

The Ellinikon Centre welcomes you to a world of innovation and sustainability.

This **Visitor Centre is the world's biggest and most technologically innovative of its kind. Completed and delivered to the public in less than 12 months, it covers 4,800 sq.m.**

Through **five thematic zones and more than 22 interactive exhibits**, with state-of-the-art technology presented for the first time in Greece, you can discover the vision, philosophy and design of The Ellinikon.

The Centre is a **destination** that invites **everyone**, irrespective of age, to discover the world of The Ellinikon, **through an interactive and multisensory experience.**

Hangar C

To honor the natural and cultural heritage of The Ellinikon is an utmost priority. **The Experience Centre is housed in the Air Force Hangar C.**

In 2009, Hangar C was **listed as a Modern Monument by the Greek Ministry of Culture**, due to its unique architectural and technical features.

The Hangar, **which was a metal structure built in 1950 and belonged to the Hellenic Air force**, has been preserved and highlighted in its entirety, offering visitors the opportunity to **enjoy the space and appreciate its architecture.**
